SOCIAL EVENTS

Knoxville (Tenn.) Journal.

At the home of Mr. and Mrs. Clotworthy on Thursday evening a large party of guests were delightfully entertained.

Miss Edmondson of Winchester, Tenn., Miss Dickinson of Virginia, the Misses Nicholson of Birmingham, Ala., and Miss Reed of Kentucky, complimentary to whom the affair was arranged, with the hostess, Miss Mary Clotworthy, composed the receiving line. An informal musical program followed by a "floral wedding" contest, were delightful features of the evening's pleasure. In a beautifully decorated dining-room a dainty collation of ices was served.

The gas well on the farm of William Ratliff near Grange City, Fleming county, is still spouting gas, but not so strong as when first struck. Owing to the proximity of the well to the Ratliff residence, the fluid has been piped about fifty feet away, where it blazes from a three-fourth-inch pipe in a flame several feet in length, making light sufficient for people to read by some distance away. Ratliff will have his house piped in order to utilize the gas for cooking and lighting purposes.

Deafness Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75¢.

WHY?

Why are the good cooks getting so scarce in Maysville?

Because so many of them have gone and are going every day to Cincinnati, Dayton, Washington, D. C. and other towns.

Why do these good cooks leave Maysville to go to Cincinnati and other towns mentioned?

Because they get more money for less HARD work.

Now, if one woman can do all the cooking and house work and even laundry, too, at these other places and yet be said to do less HARD work than she would have to do just cooking alone in Maysville?

Because cooking with Gas removes all the burden of kitchen labor, saves half the time, and leaves the cook free and able to do the other lighter housework, and even the laundering where Gas is used for that purpose also.

BRING IT HOME TO YOURSELF!

What would you do if you were the cook? Go away like the rest of them. It is a practical proposition. If you want to keep your cook put yourself on an equal footing with your neighbors across the river.

ANY ONE IN MAYSVILLE NAMING A TOWN

In the United States of 10,000 inhabitants where artificial coal gas is sold cheaper than \$1 per 1,000 cubic feet will be made a present by the Gas Company of 1,000 feet of gas.

Yesterday

afternoon as one of the big oil wagons of the Standard Oil Company was about to cross the bridge that spans the creek in the West End, the king bolt pulled out and the wagon and its load of oil toppled over the embankment leaving the horses and forewheels standing on the bank. Mr. Martin, the driver, escaped injury and the damage all told will not amount to a great deal.

GEORGE ROSSER'S ESTATE

Suit By His Executor to Recover Several Government Bonds

Attorney C. L. Sallee, Executor of George S. Rosser, filed suit Monday in the Mason Circuit Court to recover three United States Government bonds which the petition states Mr. John W. Boulden took from Mr. Rosser's private box of valuable papers a few days before Mr. Rosser's death.

The petition states that Mr. Boulden claims to hold the bonds in trust per instructions from Mr. Rosser, who directed Mr. Boulden, in case of his death, to give one \$500 bond to DeKalb Lodge No. 12, I. O. O. F., one \$500 bond to Mrs. Fannie Wilkinson and one \$1,000 bond to M. E. McKellup and his son-in-law, D. N. Peoples.

It is charged that when Mr. Boulden got these bonds Mr. Rosser was incapacitated to transact any kind of business, incompetent to dispose of the bonds and acting under the undue influence of designing persons.

HARD TO GET FACTS

Hence the Newspaperman Has Often to Guess Some

If a fight or any kind of a shindig occurs in or about a saloon and a newspaper man endeavors to gather the facts in the case from those most interested, he is given a frozen stare and their mouths close up like clams.

Mum is the word with those who are onto the racket, and so far as the newsgatherer is concerned he can go to the devil for his information.

Next morning when they pick up the daily paper and read an account of the affair he is berated and condemned for publishing an inaccurate account of it, whatever it may be.

Evidently there were lively times in Crowell's saloon in Market street yesterday morning, judging from the appearance of a wild-eyed, bloody-faced individual as he was hustled out of the barroom door.

The trouble is said to have originated over a \$1.75 debt.

The fellow was drunk and dressed up. He looked as though he might be a gentleman when sober.

LISSANT COX'S WISHES

Disposed of His Handsome Estate Among Relatives and Friends

The estate of the late Lissant Cox is distributed by will of date August, 1901.

Specific bequests are made to former employees of the drygoods store of George Cox & Son as follows:

Miss Jennie McCullough, (now Mrs. S. P. Unard of Carlisle,) \$2,500.

Miss Laura Mitchell, (now Mrs. John A. Nowell of this city,) \$2,500.

Miss Minnie Ricketts, now of Buffalo, N. Y., \$2,000.

Miss Maude Walsh, \$2,000.

Miss Joaephine Wood, for many years his housekeeper, \$2,000.

Amos Clements—"Uncle Clem," the faithful porter, \$500.

The residence in West Front street, together with all its contents, is left to his nephew, Mr. George Lissant Cox, to be disposed of as he sees fit.

The remainder of the estate is divided into five equal parts, distributed as follows—

Mrs. Judith Browning, his niece, one part.

Mrs. Alice Conkey of Kansas City, his niece, one part.

Miss Alice Ficklin, his niece, one part.

Miss Roberta Cox, daughter of his nephew, William H. Cox, one part.

Miss Katie Clay Cox and Mr. Bernard Albert Cox, children of his nephew, George L. Cox, one part between them.

The estate is thought to approximate \$125,000.

State Inspector Hines has reported to Governor Beckham that State Revenue Agent Harrison of Lexington received \$1,000 from a Clark county concern under an agreement that a judgment for back taxes should be entered against it for \$300 only, when in fact there was a liability for back taxes of \$2,400. The report alleges that Harrison has never accounted for the \$1,000. Harrison refuses to discuss the matter further than to say that he has done nothing illegal and will make a statement at the proper time. There are many rumors about of irregularities on the part of revenue agents, which will be reported to the Auditor.

NEARLY every Methodist Preacher in the surrounding counties is heading for Ruggles Campmeeting. They've heard of Lewis county's big crop of "yaller legged" chickens.

MARK TWAIN discovered "Colonel Mulberry Sellers" a few decades too soon. If he had waited until now, he could have found the "real thing" in the promoter of the Burley Tobacco Growers Association.

"MISTER, gimme a match," was the demand that came from a fuz period kid who was roosting alongside another gosling on an abandoned truck at the Streetcar Barn a few mornings since.

Being informed that I was not a distributing Agent for the American Match Trust, the larger boy descended from his perch, and producing a lighter from his pocket he swiped it across that part of the human anatomy where no woman can successfully or at least gracefully strike a match, and proceeded to light the cigarettes which each held in his mouth.

"Boys, where do you get your cigarettes?" I inquired.

And as they marched away, hobbling over the rough stones which were painful to their tender feet, and filling the atmosphere with the stench of the poisonous things, the lesser lad, who had reached the mature age of 8 years, replied with a triumphant air,

"We git 'em all right!"

And yet the law says they sha'n't.

A KIND-HEARTED gentleman in Cincinnati wants to organize a Printers Union in Maysville. Of course he engages in this work from purely philanthropic motives—except that he gets a "rake-off" for every Union that he organizes. What is most needed now in the printing craft is real Printers, and these cannot be obtained under the present rule of the Union which almost prohibits apprentices, and at the same time Unionizes every country jackleg that appears in a city in order to prevent him from working in an "unfair" office. Time was when a Card from a Typographical Union meant something—it meant that the holder was a competent workman; now it simply means that the employer must pay the same wages to a "thing" that isn't worth \$3 a month as he pays to the man who is really worth \$3 a day. But come up, Mr. Walking Delegate: the latch-string is on the outside, and I'll be glad to talk it over.

Political Pickings

THE DRIFT TO REPUBLICANS.

Leslie's Weekly.

There has been a marked movement in the past few years of the younger, more alert and more progressive element of the Democrats over to the Republican party. Some of this tendency has been due to the influence of President Roosevelt, who is by far the most attractive personality who has ever been at the head of the Government except Jackson. Much of it has been caused, however, by the positive, progressive program which the Republicans have put forward and carried out. In general the Republican party knows what it wants, and gets it. The average man, especially the young man, is impressed by deeds. He is attracted to the man or the party that does things, particularly when, as in the case of the Republican party, the things advance the country's interests and prestige. Long ago the Democratic party used to do things, and used also to win proselytes from other parties.

The drift of such old-time Democrats as Paul Morton and Charles J. Bonaparte to the Republican side shows why it is that the Republicans had such a decisive predominance in the election of 1904. The support of such men, though, can be retained only by deserving it. It is only by continuing to put up an inspiring program and courageous, able and worthy leaders that the Republican party can maintain its hold on the majority of the American people.

THE SECRET OF SUCCESS

"No, Sir! You cannot palm off any substitutes on me. I've been using August Flower since I was a boy, and I'll have no other."

Forty million bottles of August Flower sold in the United States alone since its introduction! And the demand for it is still growing. Isn't that a fine showing of success? Don't it prove that August Flower has had unfailling success in the cure of indigestion and dyspepsia—the worst enemies of health and happiness? Does it not afford the best evidence that August Flower is a sure specific for all stomach and intestinal disorders?—that it is the best of all liver regulators?

August Flower has a matchless record of over 35 years in curing the ailing millions of these distressing complaints.

ONLY ONE.

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Henry Bertram, shoemaker, 27 East Third street, Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills, for I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from forms of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore had suffered for some time with backache and a tired feeling and having aching in and about the kidneys. Being a shoemaker, I thought my trouble was caused by my work, for every time I took cold it settled in my back, but Doan's Kidney Pills quickly rid me of the trouble, and never from that time to this have I had any cause to complain of my back or kidneys. Doan's Kidney Pills perform exactly what they promise, and to be honest with you, I will say that, in my opinion, there is no remedy for kidney disorders equal to Doan's Kidney Pills."

Forsale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N.Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
